

Newsletter No 1a

26th January 2012

Hadrian Academy's consultation on changing the school age range and admission criteria for 2013 onwards can be found on the new website, www.hadrianacademy.co.uk The proposal can be read in full and you can respond directly online to a short questionnaire. We would value your feedback.

A huge thank you must be given to Mrs Stock and Mrs Wadman who together provided the cake for all the children as part of the opening celebration.

The school **Parent Teacher Association** are meeting for the first time as a new charity for Hadrian Academy. This will be held on Thursday 2nd February at 6.30pm at the school. Please do come along if you feel that you can help support fundraising and social events for children and their families.

Mrs S. Ingham

Principal

The children in the **Early Years Foundation Stage**, as part of their topic Homes and Homes, went for a walk in the locality. They took photos of the various types of homes people live in, read the house numbers, identified and described the shapes of windows. Everyone wrapped up warm against the wind but still had an enjoyable time. Thank you to all the many parent helpers who ensured everyone kept safe and used the Road Safety Code.

Year 4 had a 'wow' event to kick-start the year with a visit from the Quantum Theatre who presented "Inspector Clueless - Missing Materials" This really got all their brains working hard after the Christmas break.

Just six days into term, on the 11th January **Mo Farah class** from **year 4** presented in assembly some of the activities they have been doing as part of the topic Materials. They 'WOWED' us all with the variety of things that they had been doing in such a short time. The poems were articulated with excellent expression. Today, **Jessica Ennis year 4** class shared further

work from the same topic. They retold a story and acted it out with confidence. Well done everyone.

On the 17th January **year 3** children from **Beth Twedde class** also presented in assembly and delighted everyone with the story of Icarus which they did as part of their Myths and Legends work in Literacy. The story was read by many different members of the class as other acted out the key roles. Well done everyone.

The whole of **year 3** this week were visited by The Science Dome. It was incredibly exciting to have such an enormous inflatable dome in the hall. It was a very impressive event with the children learning many new facts. I think all the other children across the school were very envious and curious.

It is school policy that **school dinners** are paid for **in advance**. This really helps the kitchen plan ahead. Money should be sent to school in a named envelope on a **MONDAY morning** for that week. Cheques must be made payable to Hadrian Academy.

- One day £1.90
- Five days £9.50
- Ten days £19.00

The kitchen was inspected last week for Food Hygiene and received 5 stars, which is the highest category. Well done Mrs Wadman and Mrs Hogarth.

Reminder of Poor Weather Procedures - SNOW!; Hadrian Academy will always try to stay open no matter the weather but must always be mindful of the safety of the children and staff. Please check the **school website 'Latest News'** for information, you will be able to find out if the school is open or partially open or closed from the **school website from 7.30 am onwards**.

We will use Groupcall, a text messaging service, to inform parents if we are to be closed for the whole day or if the weather breaks down and we need children to be collected early. Please help us make this an efficient service by ensuring all contact details are up to date - email hadrianacademy@cbc.beds.sch.uk with any updated contact details.

Congratulations to the following pupils who achieved 100% attendance between 05.09.11 to 16.12.11

Rhys Birch	Fish	Ellie Sharp	Phillips Idowu
